To search for your size we suggest you to:

<b>CHEST</b>	Measure under arms around the fullest part of the chest.
<b>WAIST</b>	Measure around your natural waistline, where you normally wear your pants.
<b>HIPS</b>	Measure around the fullest part of your hips.
<b>OVERARM</b>	Measure the length of your arm from the center back of your neck across your shoulder to your elbow, and down to your wrist.

All items are individually measured by the Matchless Team.

Compare these product measurements to a similar garment you already own.

Take all measurements from the outside with the garment lying flat.

If your measurement is in between two sizes, we recommend you the larger size.

Use this table to convert between standard size formats.
